

## Q1 Looking forward 10 years, what kind of place would you like Elstree and Borehamwood to become?

Answered: 120 Skipped: 9

#	RESPONSES	DATE
1	Friendly/. Not quite sure	12/3/2022 6:01 AM
2	A place where the High Street has an array of shops and not so many fast food restaurants. A place where there is respect, with a vibrant and affordable entertainment theatre for the community	12/1/2022 1:48 PM
3	A safe place with a diverse population who all contribute. PLUS, all the amenities and services needed by the population readily available and accessible for all.	11/28/2022 1:54 PM
4	A space for young people as well as old and a town where you can get anywhere safely without a car in 15 mins.	11/26/2022 1:03 PM
5	Less Crowded. Cleaner paths & paths on both sides i Barnet Lane, Elstree Hill & Allum Lane	11/26/2022 7:49 AM
6	We would hope that Elstree Borehamwood would remain a green space or even become a greener space for the community residents, visitors and also the animals that live in it. We do not need another huge building that take over a massive green space to be destroyed. The nature and environment needs to be protected and maintained as apposed for this large industrial companies taking over just because they have the money to pay for it. We have seen many foxes and wildlife coming out of the greenspace that sky studios want to expand into. This is honestly a big shame that these people do not think of this. Planting a few trees will not cover this space not will it be as natural as it currently is. Plus having read a number of information leaflets about it, it will only create another 84 jobs. Its not worth it. We do not need more movies. We need to fight climate change - the real problems of the world, not entertainment that distracts people from reality and the things we need to contribute to as a community. If leaders of communities and the government do set an example of what needs to be focused on more then no will care, no one will focus on the real issues or want to do something about it.	11/25/2022 12:00 PM
7	A safe place to live in, with a variety of facilities and a bustling high street for all parts of the community to enjoy.	11/24/2022 11:12 PM
8	A place where the population to service ratio is good	11/24/2022 12:24 PM
9	Greener.more green open space	11/23/2022 7:16 AM
10	A concrete jungle with all green open spaces taken away, traffic at a standstill, cars parking on top of each other, air pollution increased, lose more bus services? That's 5 years, 5 more to think about?	11/22/2022 2:39 PM
11	Happy 1	11/21/2022 6:14 PM
12	I would like Elstree & Borehamwood to be back in the GLA. What the LCC/GLC built is being destroyed by HCC & HBC. We desperately need a tube extension because of the developments that have been since I came here with my family in the late fifties. Most of the working public in Els/B/wood work in London and that's what Borehamwood was built for. HCC has stopped paying TfL for the buses and that was the final straw for me, we should be getting closer to London, not moving away for it, we are in Herts but also Greater London and need GLA NOT HCC or the pathetic WD6 postcode and HBC. Elstree & Borehamwood council get a grip... look where we are on the map! my family didn't move here because we were under HCC it was because of the London expansion and B/wood was LCC. This is very important for future infrastructure development in this area, especially public transport, we need more TfL, not so much HCC. Why are the powers that be making it hell to get to work?	11/18/2022 10:04 AM
13	A clean and healthy place to live	11/16/2022 8:42 PM
14	Family friendly with sufficient access roads in and out of Borehamwood, something it currently	11/15/2022 7:15 PM

	lacks. Additionally there needs to be better infrastructure such as doctors surgeries and dental clinics (NHS).	
15	More family friendly	11/14/2022 9:17 AM
16	A community made up of generations of families and not a mini London borough	11/13/2022 11:24 PM
17	A thriving affluent town, surrounded by plenty of green space for long walks	11/13/2022 10:08 PM
18	Safer, more choice of shops and cafe. More indoor spaces for children, young people and families	11/13/2022 10:00 PM
19	1. A thriving community for all ages. The town centre is dirty and tired with a complete lack of colour and planting. It needs a full refurbishment so that walking Shenley Road becomes a pleasure. There should be more facilities, particularly for teenagers, young adults and middle aged e.g. more classes, talks, organisations to join. Currently most activities are focussed on over 65. The facilities should be sufficient for the existing population. This also goes for Elstree village which has nothing to draw visitors at present apart from Schopwick Surgery. The Green Belt should be retained as farm land or available to the public. It is vital to the wellbeing of the community. More outdoor activities in our green spaces should be organised eg walks, nature trials, wildlife activities and protection to ensure young people are enjoying and appreciating the benefits of the outdoors and nature.	11/11/2022 12:59 PM
20	Safe, clean and less built up area with things to do for all ages	11/6/2022 10:25 AM
21	Still have green belt with footpaths and bridleways	11/3/2022 6:43 PM
22	Safe and clean with sufficient drs, dentists and police.	11/3/2022 11:39 AM
23	The	11/2/2022 10:48 PM
24	Better than it is now. More of a community More looking like a well kept place to live- with better car parking for the shops/boulevard and better roads for the extra traffic we have	11/1/2022 8:00 PM
25	A local friendly place where neighbours look out for each other rather than just another small place looking to become bigger	11/1/2022 7:25 PM
26	A much improved high street	10/28/2022 9:05 AM
27	Built up, congested roads, no greenbelt	10/27/2022 10:12 PM
28	Less built up, losing too much green space.	10/27/2022 7:07 PM
29	More family's	10/27/2022 6:11 PM
30	Less traffic	10/27/2022 8:40 AM
31	Better road system as absolutely gridlocked trying to get out of bwood and Elstree. Cycle lanes . Better gp provision. Still have green belt land for lovely walks etc	10/27/2022 7:18 AM
32	Cleaner	10/27/2022 6:18 AM
33	A buzzy place that attracts young families to live in	10/26/2022 11:04 PM
34	Smart and neat	10/26/2022 7:54 PM
35	Well supported with good roads, plenty of NHS facilities (Doctors and Dentists), with due consideration given to keeping green areas and not building on them	10/26/2022 3:20 PM
36	Quieter, less polluted, less congested and healthier.	10/7/2022 12:17 PM
37	A safe area, where the local landscape is respected and kept tidy. Good community cohesion, low crime. Local crime such as antisocial behaviour is kept controlled and current wayward teens and vandals are stopped and controlled.	10/5/2022 8:56 PM
38	A "neighbourhood" that doesn't feel so "divided" by politics, that actively encourages local "pop-up" businesses as a town that they can grow from & employ local workers ie the bi-weekly street market would be a good example. A town that utilises the space it has to encourage people to get fitter & healthier - not just at a gym - but outside space too. A place that looks & feels different to others towns - in a more positive way	10/2/2022 7:29 AM
39	Back to a village feel with a sense of community	10/2/2022 7:16 AM

40	A safer place for my children to grow up in which has better outside areas and less council properties.	10/1/2022 11:13 PM
41	Unfortunatly more built up, noisy and dirty.	10/1/2022 8:35 PM
42	A model of a 15-minute city, which also offers fantastic education to its young people, and preserves the surrounding nature and biodiversity for future generations	9/30/2022 11:29 PM
43	Less busy and more community focussed	9/30/2022 9:32 PM
44	Maintain and protect it's Green Belt, green spaces and countryside.	9/30/2022 7:30 PM
45	Vibrant with family homes	9/30/2022 7:01 PM
46	A green and healthy place to live with plenty of green spaces for residents and visitors to enjoy. Better infrastructure of every aspect. Safer pavements, footpaths and roads.	9/30/2022 6:35 PM
47	Prosperous, self-contained, London commuter town	9/30/2022 5:29 PM
48	safe place to live with infrastructure to support the growing community	9/30/2022 2:20 PM
49	Less traffic. No more building on green belt	9/30/2022 1:00 PM
50	Not too different. Lots of green spaces and green belt, more doctors, less traffic and proper social housing not affordable which isn't affordable.	9/30/2022 12:37 PM
51	A place that still has Green Space.	9/30/2022 12:32 PM
52	Family community with green belt and fields	9/30/2022 12:21 PM
53	Left alone. To much development already.	9/30/2022 11:43 AM
54	Less busy	9/30/2022 11:30 AM
55	Cleaner streets, drug free, crime free, decent highstreet worth shopping in	9/30/2022 9:28 AM
56	As it is now, a haven of peace and quiet with undamaged green belt. Councillors who listen to their constituents.	9/30/2022 9:09 AM
57	Greener less traffic preserved greenbelt and a council that listen to its people Sustainable affordable housing on existing brownfield Sufficient gp access and schools	9/30/2022 8:58 AM
58	Better roads	9/30/2022 8:05 AM
59	A nice clean safe place to live.	9/30/2022 5:11 AM
60	A place that looks nice, clean and is safe to live	9/29/2022 10:07 PM
61	Clean modern place, similar to the Watford redevelopment.	9/29/2022 9:32 PM
62	Actually i quite like it how it is. I would say a bit of love for the smaller parks like Rippon park. Less crime and anti social behaviour in certain parts of town. Other than that Borehamwood has a brilliant community spirit, there is always someone willing to help. For example gratitude and WD6food. There is loads of free events for the kids. As well as local crafting groups etc for the elderly.	9/29/2022 9:09 PM
63	keep it green and free of new developments, explore opportunities for community benefits and maximise opportunities to explore nature and green spaces	9/29/2022 9:01 PM
64	A semi-rural area where we can still enjoy nature at its best.	9/29/2022 9:00 PM
65	A friendly and town like place as it still feels now. I don't anymore restaurants and take aways, wr need a woder variety of local retail shops	9/29/2022 8:45 PM
66	To still have access to the Greenbelt which is important for the local residents.	9/29/2022 8:41 PM
67	A place where families and close-knit communities can enjoy and appreciate an abundance of outdoor space, nature and parks whilst still having the convenience of a well-looked after, safe and relevant high street. Outdoor areas such as Red Road Park and Cowley Hill fields are thriving nature zones	9/29/2022 8:30 PM
68	A thriving place to live with a strong local economy, decent nighttime economy, good education and primary healthcare provision with affordable, reliable transport links to London and SW	9/29/2022 7:08 PM

	Hertfordshire.	
69	A safe and friendly town with better infrastructure	9/29/2022 6:48 PM
70	Not built up with so many houses	9/29/2022 6:42 PM
71	A family friendly place with lots of green spaces. The fields around and parks here are just wonderful for children, families and everyone.	9/29/2022 6:33 PM
72	Healthy and full with green life	9/29/2022 6:21 PM
73	A quiet peaceful green town	9/29/2022 5:54 PM
74	A lovely town in Hertfordshire with green space and the feel of the countryside that we have the the lovely farmlands and field areas	9/29/2022 5:49 PM
75	Not the concrete jungle it's becoming! Leafy, with fields, parks and wild life in tact!! Nice houses but with supporting infrastructure which we don't have	9/29/2022 5:42 PM
76	Green and pleasant with lots of open spaces and little traffic	9/29/2022 5:41 PM
77	Pretty much as it is now	9/29/2022 5:35 PM
78	Peaceful, fun loving community with something for all ages. NOT overdeveloped	9/29/2022 5:19 PM
79	A safe and welcoming place to live and work without being completely built up	9/29/2022 5:05 PM
80	a village that keeps its green belt	9/29/2022 5:04 PM
81	Vibrant, good shops, safe, things for people of all ages to do	9/29/2022 7:02 AM
82	A town with more health facilities.	9/28/2022 4:54 PM
83	Less crowded! Housing development has reached its peak especially when there is inadequate infrastructure. As the town is known for TV and film productions for over 100 years we should reflect that with a dedicated theatre and film museum to attract visitors. The community theatre in Hertswood Academy does not appear to be in use for the general public as it was intended. I have not seen any shows advertised.	9/28/2022 1:45 PM
84	To remain the beautiful GREEN country side place to live that it currently is.	9/28/2022 12:23 PM
85	I would like it to retain its charm which is all the fields and farms. No development on the green belt, no swathes of flats. Borehamwood centre could be enhanced but not extended.	9/19/2022 4:23 PM
86	Popular family friendly living area.	9/19/2022 1:04 PM
87	A place which is safe, clean and easy for transport accessibility.	9/19/2022 9:25 AM
88	Exciting, a destination to travel to for things to do but also relax in	9/18/2022 1:55 PM
89	A place where people who live there feel proud of. A tidy town looking kept.	9/17/2022 10:26 PM
90	Better provision of services such as GP surgeries, health and welfare facilities. Investment into countering the death of the high street and replace shops that close rather than putting in more nail bars and take aways.	9/17/2022 8:03 PM
91	A happy and safe place with a lovely shopping area.	9/15/2022 1:57 PM
92	To retain all its current Green areas whether green belt or not. No further development that will make the local infrastructure ( doctors , dentists, etc) even more overwhelmed that it currently is. Also reduce the traffic through the area to prevent even more congestion than we experience at rush hour. Improve the quality of life by maintaining all these points. Also not to move Elstree doctors surgery to Allum lane as it must be relocated , if necessary, to an exiting brownfield site , such as, Centennial park so as not to put extra load on the traffic and congestion in Allum lane.	9/12/2022 9:24 PM
93	To continue to be a close, helpful and friendly community as it is today. A safe community. To make more of it's unique personality and film history. Not to look like any other town.	9/12/2022 5:13 PM
94	A place that I am proud to say that I grew up here. A place that reminds me of home. I want Borehamwood and Elstree to become somewhere with more clothes shops, possibly a mall/shopping centre.	9/10/2022 6:22 PM

95	A thriving town with lots of housing options for families including the amenities needed with that (schools, GPs, transport links, job opportunities)	9/10/2022 4:50 PM
96	A diverse loving community with interesting shops and well advertised community events.	9/10/2022 12:13 PM
97	A place where people can live with good reliable infrastructure and a council that cares about its people, unlike what we have now.	9/10/2022 10:19 AM
98	A thriving neighbourhood with good quality housing and facilities needed by those living in the housing	9/9/2022 1:49 PM
99	Peaceful and green. Clear of litter and rubbish being dumped	9/5/2022 6:25 PM
100	Elstree & Borehamwood has lost that Community feel, there are too many flats, too many cars, too many feral teenagers, bikes and scooters on pavements causing serious issues to pedestrians. No decent shops, you cannot spend a 'DAY' shopping in Borehamwood anymore, there is not enough variety and too many food outlets.	9/2/2022 10:46 AM
101	Greener	8/28/2022 7:03 PM
102	Still a town and not part of a north London sprawl.	8/27/2022 7:24 PM
103	Safe vibrant affordable town. With access to gp and dental. A safe place for children to mix. Decent schools and a reliable bus service that also runs at nigh.	8/26/2022 11:13 PM
104	less developed more infrastructure	8/26/2022 3:06 PM
105	Less crowded and with more things that are desperately needed at the moment e.g. doctor surgeries, secondary schools etc	8/25/2022 9:01 AM
106	I would like it to be well cared for and maintained. Residents should be able to live and work here, not travel in to work or travel out to work. The number of eateries needs to be cut, we must have at least 50 in Shenley Road. We need a better range of shops in the high street. More benches need to be unstalled, walk up Furzill Road I think there is one, there are none around Tempsford Park, one in Kenilworth and Ripon Parks.	8/25/2022 7:50 AM
107	Clean, community minded	8/24/2022 11:13 PM
108	A place with sufficient homes for anyone wanting to settle in Borehamwood. Local services and amenities to match the demand.	8/24/2022 8:45 PM
109	More of a common goal.... feel all inclusive.	8/24/2022 9:43 AM
110	A London Borough.	8/24/2022 9:30 AM
111	A commuter town with a range of shops, night life and services for young people	8/24/2022 9:02 AM
112	A Community that embraces change but has a good infrastructure which includes leisure and health facilities for all.	8/24/2022 8:18 AM
113	Less built up and crowded with people and traffic.	8/24/2022 8:00 AM
114	Traffic free and better connectivity to London	8/24/2022 7:27 AM
115	Not overpopulated and ensure we have the right infrastructure to main the community as we don't have it now	8/24/2022 7:18 AM
116	More greenery and trees, easier to get a doctors appointment. Less high rise flats and apartment buildings and more semi detached and detached houses. Less chicken shops and nail bars on the high street and more nice shops. Basically Radlett.	8/24/2022 7:11 AM
117	More vibrant with quality coffee shops, more premium restaurants and shops and better cinema etc. An upgrade to parks and with the Elstree/Borehamwood bridge finally repainted after about 30 years!	8/24/2022 7:07 AM
118	A safe environment again (which is definitely doesn't feel anymore). And a clean town, the town has become run down and looking filthy	8/24/2022 7:04 AM
119	a prosperous town, with no empty shops	8/24/2022 7:02 AM
120	A safe place for my children.	8/24/2022 6:59 AM

## Q2 Do you think there is enough provision for 'community spaces' in our area?

Answered: 124 Skipped: 5

ANSWER CHOICES	RESPONSES	
Yes, there is enough provision	44.35%	55
No, there is not enough provision - please tell us below what space is lacking and where it is needed	55.65%	69
<b>TOTAL</b>		<b>124</b>

#	NO, THERE IS NOT ENOUGH PROVISION - PLEASE TELL US BELOW WHAT SPACE IS LACKING AND WHERE IT IS NEEDED	DATE
1	Although there are many parks and community venues these are not used to their best capability	12/1/2022 1:48 PM
2	All the community spaces are gradually being closed.	11/28/2022 1:54 PM
3	Community Hall for residents in Elstree	11/26/2022 7:49 AM
4	we need more green space and to maintain the green spaces we already have including the area the sky studios want to expand into	11/25/2022 12:00 PM
5	Retain green spaces	11/24/2022 12:24 PM
6	Open space - borehamwood	11/23/2022 7:16 AM
7	End of Grosvenor Road, WD6 1BT.	11/22/2022 2:39 PM
8	Flats 2 have black boxes	11/21/2022 6:14 PM
9	Indoor / outdoor family safe spaces	11/15/2022 7:15 PM
10	I'm aware of mother's groups and kids who gather in coffee houses with no other place to go. I've had to rescue a child from escaping on to the high street whose parent was so busy chatting, they didn't notice the danger. Young teenagers gather too, with no place to hang around	11/14/2022 9:17 AM
11	Leeming end of borehamwood is lacking on all social aspects	11/13/2022 11:24 PM
12	There is not enough indoor space for families	11/13/2022 10:00 PM
13	There should be a Theatre, a Film Studios centre, a community cafe available to showcase local artists, crafters, musicians etc (never seen this in 96). A farmers / craft market.	11/11/2022 12:59 PM

14	More activities available for all ages	11/6/2022 10:25 AM
15	.	11/1/2022 8:00 PM
16	Nothing in Elstree village	11/1/2022 7:25 PM
17	Parking to shops & disabled parking	10/28/2022 9:05 AM
18	Need to stop building and keep green spaces	10/27/2022 10:12 PM
19	A lot of green belt land is being sold off.	10/27/2022 7:07 PM
20	There is no clubs for kids	10/27/2022 6:11 PM
21	There are very few community halls or initiatives for all people to attend	10/27/2022 7:18 AM
22	It is a great loss that our local theatre next to the old swimming pool was demolished and never replaced, the ark theatre did not last long and community use of the facilities at Hertswood have proved difficult to engage with. Studios rotary club was unable to set up a youth club due to this.	10/5/2022 8:56 PM
23	I feel that some "community spaces" are under utilised & could be better ie at the Venue they have a studio on the ground floor that could be used by a used during the morning/early afternoon. This could be used or the hall at the library is another example. Areas that cost nothing to maintain but could be used by groups/charities at little cost	10/2/2022 7:29 AM
24	More clubs for youths to keep them off the streets. More initiatives in place for young people to build life skills that don't necessary require a qualification to get in.	10/1/2022 11:13 PM
25	Open spaces for dog walkers, runners.	10/1/2022 8:35 PM
26	uncertain at this time	9/30/2022 11:29 PM
27	We need more family homes with parks	9/30/2022 7:01 PM
28	Better Youth provision. Better adult social care. More inclusive community activities	9/30/2022 6:35 PM
29	spread across all ages	9/30/2022 2:20 PM
30	There are but they need updating with nice play equipment not just in Meadow Park.	9/30/2022 12:37 PM
31	Green Space	9/30/2022 12:32 PM
32	Theatre	9/30/2022 9:28 AM
33	But only if our countryside is preserved	9/30/2022 8:58 AM
34	Infrastructure. We need a bypass. Traffic leaving/entering town is outrageous	9/30/2022 6:05 AM
35	Place where all generations can use. With regular nights for different ages.	9/29/2022 10:07 PM
36	green open spaces, biodiversity and opportunity for natural habitat	9/29/2022 9:01 PM
37	More sports facilities needed	9/29/2022 9:00 PM
38	The only one I know of is the library	9/29/2022 8:45 PM
39	Open green space	9/29/2022 8:41 PM
40	Very few community spaces in North part of Borehamwood	9/29/2022 7:08 PM
41	Not near aborescence montessori	9/29/2022 6:42 PM
42	More wild nature	9/29/2022 6:21 PM
43	More parks & fields, more surgery	9/29/2022 5:54 PM
44	Not sure what you mean by community spaces but we could do with a place like battlers farm with cafe, gym, beauty salon & crèche, & shops	9/29/2022 5:42 PM
45	All over. Green fields and parks	9/29/2022 5:41 PM
46	Mainly for young families with children of school age.	9/29/2022 5:19 PM
47	Potterswood Play facilities are atrocious	9/29/2022 7:02 AM

48	There are plenty of outside amenities but due to our inclement weather we need indoor facilities.	9/28/2022 1:45 PM
49	More walking trails and open spaces in which to wit and relax	9/18/2022 1:55 PM
50	There may be but not everyone currently aware	9/17/2022 10:26 PM
51	Housing development being built on woodcock hill significantly reduces our accessible outdoor space to enjoy.	9/17/2022 8:03 PM
52	Space for teenagers that is safe (not skate parks that are full of thugs).	9/15/2022 1:57 PM
53	Open space for recreation and walking is needed within walking distance of where we live . It should be not far away that we have to drive to. Instead of building houses on woodcock hill it should be made into a park for the area.	9/12/2022 9:24 PM
54	All the high streets are filled with shops which is lovely, but a space to hang out with friends would be nice, like a park with benches and gardens, just a nice space to relax	9/10/2022 6:22 PM
55	Less high rise buildings, less back handers and payoffs that enable all this accommodation. More green spaces more children facilities.	9/10/2022 10:19 AM
56	We live in Elstree on the composer estate and there nothing for our residents. Our community Centre was taken and rented out. I ran a youth club for years and taken away. There used to be clubs for our lesser key resident young and old . The park is so limited . Borehamwood gets all the splash parks. What about estate village the forgotten part of the council	9/5/2022 8:06 PM
57	We need a theatre	9/5/2022 6:25 PM
58	There is if they stop building flats on every square inch available! And put something for the kids to do.	9/2/2022 10:46 AM
59	For teenagers	8/26/2022 11:13 PM
60	Parks cannot be used during wet or winter weather because do they are grassed areas and get muddy.	8/25/2022 7:50 AM
61	More green spaces please - parks for children	8/24/2022 11:13 PM
62	Places for the children and young adults ti do things. Youth/ community centres where people can try new things play and be.	8/24/2022 9:43 AM
63	More provision for youth services such as scouts and guides	8/24/2022 9:02 AM
64	Doctors, secondary schools.	8/24/2022 8:20 AM
65	More playgrounds and hang out areas for Teens	8/24/2022 8:18 AM
66	Should be much more and those we have should not be built on unless it's for doctors surgeries schools etc	8/24/2022 7:18 AM
67	It would be good to have a Radlett Centre type theatre/community hub	8/24/2022 7:07 AM
68	Space is diminishing, land being sold off to developers or land grabbed by Borehamwood football club	8/24/2022 7:04 AM
69	I think parks could be updated/ improved and more skate parks/ skate centre like xc in hemel and other activity park	8/24/2022 6:59 AM

### Q3 Do you think there's enough provision for youth facilities in our area?

Answered: 113 Skipped: 16

	YES	NO	TOTAL	WEIGHTED AVERAGE
0 to 8 year olds	44.95% 49	55.05% 60	109	1.55
9 to 16 year olds	23.21% 26	76.79% 86	112	1.77

#	IF 'NO' WHAT IS MISSING?	DATE
1	Vibrant cultural youth clubs and community based early years learning centres	12/1/2022 1:48 PM
2	Often during winter there's not much to do as parks are too cold. Consider indoor community spaces. For example on Fridays hertswood academy opens up their sports hall for community use. This is excellent for 9-16 year olds.	11/26/2022 1:03 PM
3	No youth clubs or facilities in Elstree. The one we had in Sullivan Way was sold off despite being paid for by the Residents	11/26/2022 7:49 AM
4	Free activities in our open spaces	11/24/2022 12:24 PM
5	Evening venues for youths? More playgrounds kept up to standard.	11/22/2022 2:39 PM
6	Need clubs they can join with activities 4 them 2 do in the evenings	11/21/2022 6:14 PM
7	Youth clubs. When I moved here from Islington, children used to call Borehamwood boringwood, but it was a lot better than now.	11/18/2022 10:04 AM
8	No youth clubs No structured activities	11/16/2022 8:42 PM
9	I am not sure what's missing as we don't have enough!	11/15/2022 7:15 PM
10	A safe space, from traffic and criminal types	11/14/2022 9:17 AM

11	There is next to nothing for youth in borehamwood that is accessible to all of the community. Becoming even more clear that mid to low income working families are missing out as most things are privately run clubs that aren't affordable for this bracket.	11/13/2022 11:24 PM
12	A safe space for teenagers to 'hang out' with friends (a modern day youth club)	11/13/2022 10:08 PM

19	There are no meeting places, clubs, youth activities, provision in local parks etc	10/27/2022 7:18 AM
20	As far I I know I see nothing in Elstree	10/26/2022 7:54 PM
21	Supported initiatives for this age group to lead, hang out and have safe activity spaces	10/26/2022 3:20 PM
22	Many parents of older children seem to be in denial about what our area offers and fail to make good use of it. This is especially true for older teens.	10/5/2022 8:56 PM
23	I think both ages have some great facilities available but again, I think we don't necessarily use what we have to it's best. What is the provision, locally, to encourage "teen" girls to stay in sports ie local boys have the local football academy at Borehamwood to look to but girls need more to be done. Also, on a artistic level what are we doing? The only facilities for those interested in art is privately run. Also we should really be encouraging our youth to get involved in our green areas - ie grow your own food, environment etc.	10/2/2022 7:29 AM
24	Youth clubs	10/2/2022 7:16 AM
25	See above answer. Focus is required to encourage the less fortunate to be more involved within the community to build skills to be able to gain successful employment in an attempt to reduce crime.	10/1/2022 11:13 PM
26	Something productive to do, instead of destroying the area.	10/1/2022 8:35 PM

38	Playground/ clubs for older kids	9/30/2022 6:05 AM
39	There is very little for this age group in the area	9/30/2022 5:11 AM
40	No a youth club but a hub for for youngsters to pop in	9/29/2022 10:07 PM
41	Scaffolded activities with good role models.	9/29/2022 9:32 PM
42	I only say that because i'd like to see a big forum of all local teenagers. So they can voice	9/29/2022 9:09 PM

there opinions on what is needed locally. Something that can use the attention the teens are giving to anti social behaviour but turn it into something positive. We are very lucky to have the esa which is a brilliant college. There are things like school of hard knocks which is good.

43	open green play areas, nature trails,	9/29/2022 9:01 PM

58	As I do not have children I do not feel I can comment on this with any knowledge	9/28/2022 1:45 PM
59	Children need outdoor open and safe spaces. They can walk, run and cycle around the beautiful GREEN BELT land we currently have. The last thing children need is more traffic, more pollution, more overcrowding and competition for school places. Leave Elstree and Borehamwood as it is.	9/28/2022 12:23 PM
60	More investment into activities for older kids, preteens and teens. Conduct a survey targeting that age group for what they would like to do.	9/17/2022 8:03 PM
61	Activities open to this age group that is a safe.	9/15/2022 1:57 PM
62	Not enough facilities for the younger members of our community. There should be a community centre that keeps the youngsters off the streets.	9/12/2022 9:24 PM
63	More provisions to get teenagers that cause problems off the streets	9/12/2022 5:13 PM
64	There are 12+ primary schools and 2 secondary schools. These children grow up and have to travel far to find a good school or one with spaces. Please consider building more secondary schools. For the future generation's sake.	9/10/2022 6:22 PM
65	14-18 youth club missing	9/10/2022 12:13 PM
66	Play parks, water parks, jungle gyms, youth centre, sports opportunities etc. Literally everything kids need.	9/10/2022 10:19 AM

72	dont know	8/26/2022 3:06 PM
73	Youth club, disco	8/25/2022 9:01 AM

74	I haven't looked into this recently but historically it has been lacking.	8/25/2022 7:50 AM
75	Don't know	8/24/2022 8:45 PM
76	We should have a running track, with all the track sports. So they can do stuff and not all cantered on meadow Park.	8/24/2022 9:43 AM
77	Youth clubs. When my family moved to B/wood from Islington, we kids used to call B/wood Boringwood. Since HBC/HCC took control it's dead! we didn't realise how good it was under LCC/GLC.	8/24/2022 9:30 AM
78	Scouting groups struggle to find buildings Community clubs pay extreme rates at communities 1st premissis	8/24/2022 9:02 AM
79	Youth clubs.	8/24/2022 8:20 AM
80	More interesting areas for young to explore. Adventure playgrounds, Skate Park and play. Also theatre, sports, and hangout facilities for 9 to 16	8/24/2022 8:18 AM
81	Youth clubs, things to do that are reasonable priced such as sports, swimming, bowling etc.	8/24/2022 8:00 AM
82	Because of constant government funding cuts there is no community centre or something similar for children to meet up with friends and hang out. Instead they go to local parts and demolish them. Also nothing to do in the area like bowling, indoor crazy golf (like Puttshack)	8/24/2022 7:04 AM
83	Football pitches, skate parks, youth clubs	8/24/2022 6:59 AM

## Q4 Thinking about our heritage, are there any buildings or places that are not already Grade I or II listed, but which you think are important? Please explain why these places matter to you.

12	4. The town looked impressive 50 years ago. There were some iconic buildings and the buildings were stylish and well maintained. New buildings are plain and soulless. Certain buildings such as the Old School House off Theobald Street and Nicoll Farm on Allum Lane should be protected. They matter if we are to retain any of the history of Elstree and Borehamwood.	11/11/2022 12:59 PM

It's a hub for the people of Well End and Borehamwood, it has great entertainment and its the place everyone can walk to in the summer to enjoy the view and the horses in the fields next door. 60	I think any old building that had been built before the 1950s should at least not be allowed to be demolish! Like for old building that used to stand next to sainsburys on Theobald street. All these building add up and create 'heritage' all of which the council are allowing to be pulled down	8/24/2022 7:04 AM

**Q5 Local green spaces are places within the community that contribute to the quality and the local distinctiveness of the area and which are important to the local people. This can be because they are sports facilities, playing fields, special spaces such as parks or ponds, provide a habitat for wildlife or a beautiful or tranquil space. Which local green spaces are important to you, and why?**

1	Parks, Riverside,. Ponds, Fountains	12/3/2022 6:03 AM
2	1. Woodcock Hill Village Green, as this offers a place for ecology to thrive and for the local community to get close to nature. 2. All local parks which give recreational facilities for townfolk.	12/1/2022 1:54 PM
3	All of them as they maintain a feeling of open space and enhance the wellbeing of individuals. Seeing open spaces like Woodcock Hill being sold off for houses is not supported.	11/28/2022 1:56 PM
4	Potterswood is quite useful for walking as it provides connections to the whole studio way development area however their use is quite greatly reduced when there are fences causing residents to walk around discouraging walking trips and encouraging car trips onto the centre of town.	11/26/2022 1:07 PM
5	Aldenham Park . Woodcock Hill	11/26/2022 7:52 AM
6	All green spaces within this area are important to me. We would hope that Elstree Borehamwood would remain a green space or even become a greener space for the community residents, visitors and also the animals that live in it. We do not need another huge building that take over a massive green space to be destroyed. The nature and environment needs to be protected and maintained as apposed for this large industrial companies taking over just because they have the money to pay for it. We have seen many foxes and wildlife coming out of the greenspace that sky studios want to expand into. This is honestly a big shame that these people do not think of this. Planting a few trees will not cover this space not will it be as natural as it currently is. Plus having read a number of information leaflets about it, it will only create another 84 jobs. Its not worth it. We do not need more movies. We need to fight climate change - the real problems of the world, not entertainment that distracts people from reality and the things we need to contribute to as a community. If leaders of communities and the government do set an example of what needs to be focused on more then no will care, no one will focus on the real issues or want to do something about it.	11/25/2022 12:00 PM
7	Woodcock Hill. Aldenham Country Park. Scratchwoods. Open spaces to enjoy long walks with family etc.	11/24/2022 11:15 PM
8	Woodcock Hill. It is such a lovely space and just brimming with wildlife	11/24/2022 12:25 PM
9	Aldenham country park. Beautiful open space for people and wildlife	11/23/2022 7:18 AM
10	Clarendon Park and it's green open space neighbour ruthlessly taken away by the Council for an oversized development?	11/22/2022 2:41 PM
11	Aberford park needs more things 4 the kids 2 do	11/21/2022 6:17 PM
12	All of them. It was the LCC that planned Borehamwood and made a brilliant job, HCC & HBC have destroyed most of what we had.	11/18/2022 10:05 AM
13	All the local spaces are important	11/16/2022 8:44 PM
14	Aldenham reservoir. A place of beauty and nature	11/14/2022 9:18 AM

15	Bridal paths, nature trails and open field space	11/13/2022 11:26 PM
16	All the green space up / off Allum Lane and off Furzhill Road	11/13/2022 10:10 PM
17	5. The Spinney and Parkfields are very important to me. I walk / run them regularly and enjoy the variety of walks / runs available in the area. The woodland area off Barnet Lane going behind the new development through the woods and across the fields to the recycling centre is the favourite walk for me and many others in my area. There are Monk jack deer, and lots of other wildlife and plant life to enjoy all year round. I do not like Meadow Park as it is too built up but sure it is good for children. I don't find Aberford Park safe as there is drug dealing in the day time - probably evening too.	11/11/2022 1:18 PM
18	Aberford Park mainly but all spaces are important for peoples well being.	11/6/2022 10:29 AM
19	Any with public rights of way I trail run and have been on most of them	11/3/2022 6:45 PM
20	Borehamwood Youth FC.	11/3/2022 11:40 AM
21	A place for people to learn about the countryside and nature. Good for our health, wildlife and the environment	11/1/2022 8:01 PM
22	Schools need more sports facilities	10/28/2022 9:07 AM
23	The rights of way that allow you to walk through fields, village to village, such as through Organ Hall Farm land off of Theobald Street, connects to Elstree and Radlett, and other side of Theobald Street, connects to Shenley	10/27/2022 10:17 PM
24	Woodcock Hill is a great local open space, great for wildlife, once again under threat for a housing estate. Keep building there will be no green space left.	10/27/2022 7:11 PM
25	King George park and rose garden	10/27/2022 6:12 PM
26	Allum Lane Green fields. Lungs of London	10/26/2022 7:56 PM
27	All of them	10/26/2022 3:21 PM
28	Organ Hall Open Space is close and good for children. The green pathways through Leeming Park and Aberford Park and beside the railway line to Red Road park make for safe and pleasant green journeys.	10/7/2022 12:26 PM
29	Woodcock Hill, Organ Hall open space, Parkfields spinney and the meadows between Theobald St and Watling St. Woodland near Tykes Water and Tykes Water lane, ALL local footpaths and all green belt land	10/5/2022 8:58 PM
30	I would like more done to "other" local green areas that isn't Meadow Park. For example Hillside have a small area of "green" but recently a "utility" company was allowed to destroy a large part of the green space by it's use of machinery. They did eventually return to "reseed" the mud patches but now they are either weeds or mud. So much more could be done with this area but it's completely left & what "improvements" have been done over the years (a gravel pathway now getting smaller as weeds are growing over it & it's not maintained). Plus there's only one bin at the end of Maxwell so rubbish is always left on the space. Maxwell has more time & energy spent on it (probably because it's more seen by the public & people queue for Strictly) but it too could be better used. For some reason it has a small area that has been levelled & tarmaced but nothing ever done with it! What a waste - surely that could of been used as a small playground area? Kenikworth Park - children's playground not updated in years, gaps in metal fence allowing dogs & foxes in (often reported) but never fixed! Local town councillors not interested but small changes can vastly improve how locals see & feel about where they live.	10/2/2022 8:09 AM

35	Cowley hill fields. They are a haven for endangered wildlife, a thriving space for nature and provide a habitat for this wildlife. It is also a beautiful and truly tranquil space that is essential for mental health and fitness and that is a rare thing in the busy local area. It is also important for crop growing and being self sufficient	9/30/2022 9:36 PM

54	All are important, except the green spaces in front of houses that get in the way from owners building a drive way. The grass spaces in front of houses are mown poorly and make a huge mess! Playgrounds are often covered in litter.	9/29/2022 9:34 PM
55	Woodcock hill is the most important greenspace to me as it we as a family have made many happy memories there. It has a beautiful view over borehamwood and surrounding areas. It is key to the local wildlife's survival. And in all honesty saved my mental health during lockdowns. Also rippon park purely for its locality. Its a little bit of peace in-between the houses and has been invaluable for me and my son. I used to live in elstree and recently visited the bigger park there. It needs a complete overhaul. However the fields are peaceful and beautiful.	9/29/2022 9:15 PM

60	Cowley Hill fields are a god send and such a valuable gem to our community. These fields are what make borehamwood so special. A convenient town that has such beautiful natural areas for its locals to enjoy too! We are lucky to have a selection of local parks for the kids to enjoy, but it's the field where we can really enjoy wildlife and nature!	9/29/2022 8:33 PM

73	cowley hill fields, my kids love to walk around those in the summer	9/29/2022 5:05 PM
74	The fields behind Nelson Cottage and the Cowley Hill fields. These fields are walked by multitudes of dog walkers daily and people just enjoying the countryside. Cowley Hill also is covered in extremely productive arable farming fields producing multiple food crops per year.	9/29/2022 7:06 AM
75	Woodcock Hill. It's the only natural open space in the area and has historic and wildlife benefits to the town.	9/28/2022 4:56 PM
76	All of them	9/28/2022 1:46 PM
77	The green space between Cowley Hill and Well End, the green space between Berwick/The Champions/Rossington Ave and Newberries Primary school. These are areas that I take my children for nature walks and as a way to calm their active minds. These spaces are essential for physical exercise and mindfulness. My children attend Newberries Primary school and it is good that their playground is next to open green spaces and clean good quality air to breathe and away from traffic or construction sites.	9/28/2022 12:29 PM
78	All of them but mainly the farmland and fields making rambling so appealing round here. There are enough parks as we have all this lovely untouched land that should remain untouched. The worst thing about this area is the reservoir which is being ruined by private ownership. Keep the area green and undeveloped.	9/19/2022 4:26 PM

86	Parks or ponds, provide a habitat for wildlife or a beautiful or tranquil space.	9/12/2022 5:14 PM
87	None. Yet.	9/10/2022 6:28 PM
88	What's good about Borehamwood is the number of parks interspersed amongst the streets. I wouldn't want to see any of those get removed in fact maybe more play areas added to them. I think more use should be made of the reservoir.	9/10/2022 4:58 PM
89	Dog walking in Scratchwood space. Tennis and basketball in meadow park. Running in Aberford park. Walking in red road green space. Aldenham park and lake regularly.	9/10/2022 12:16 PM
90	All of them, and they're all a bit dire. Not looked after, nor maintained and improved upon. Just kept static enough to keep the pleb citizens quiet. Quite disrespectful from those who work for us in the council.	9/10/2022 10:21 AM
91	Woodcock Hill - the most pleasant place in Borehamwood to feel like you can get away from the urban environment. Good for exercise and state of mind. Aberford Park is also a good space but suffers at times from litter and vandalism.	9/9/2022 1:50 PM
92	To get out door space good for health and well being being able to walk the dogs	9/5/2022 8:06 PM
93	The bowling club should be reinstated in its original place	9/5/2022 6:26 PM
94	Meadow Park, Aberford Park, Three Fields, Aycliffe Park, Ripon Park, Kenilworth Park . I feel a lot is being spent on Meadow Park which includes the fantastic new splash pad which is great! However, I feel that the other parks have been overlooked. There is so much that could be done on all of these, a lot of the equipment is old and tired there could be more sensory things available for all those kids with sensory needs. I just feel that there should be more in all the parks in Borehamwood not just Meadow Park.	9/2/2022 10:49 AM

102	Meadow park Aberford park Well End	8/24/2022 9:02 AM
103	Places for families to spend time together. Tranquil space for older residents to sit and enjoy.	8/24/2022 8:19 AM
104	All of them!	8/24/2022 8:00 AM
105	Ripon Way, Tempsford Avenue the are where Taylor Wimpy want to build. Wycliffe, crossdale. All these areas where children can play where people can walk.	8/24/2022 7:23 AM
106	Woodcock hill - don't turn it into a massive development. Shakespeare park by the bec centre is nice but could do with some more planting. Meadow park is terrifying due to people who go there and lack of shade or any trees. Very hot and inhospitable.	8/24/2022 7:13 AM
107	Aldenham Reservoir - long-standing, historic space which adds dimension and interest (and serenity) to the area	8/24/2022 7:09 AM
108	Meadow Park as this is a fairly central open space that sees a lot of family's and friends come to visit and attend events	8/24/2022 7:05 AM

14	We have a big problem with localised flooding on The Rise. We have The Rise drain running along our road, that was once enclosed by Thames Water but the pipes have one since deteriorated and serious flooding of our gardens occurs every winter and in heavy rainfall. In the 70's many houses, including mine, were flooded out. This was worded by local building work as the reduction in natural soakaways causes immediate problems. This is a major reason we are opposed to further building in the area especially on higher land.Allum Lane is also prone to heavy flooding and issues with road access in times of high rainfall.	11/11/2022 1:18 PM

## Q8 Thinking of cycling and walking routes in our area, are there any routes that you feel could be improved, or joined up?

Answered: 83 Skipped: 46

#	RESPONSES	DATE
1	No	12/3/2022 6:06 AM
2	Wider footpaths with better demarcation of cycling area's across the town	12/1/2022 2:11 PM
3	I find in the evenings many routes now have very poor lighting levels.	11/28/2022 1:59 PM
4	Current cycle routes are dangerous, you don't see people cycling along elstree way as the only thing protecting them from being killed by a lorry is a line of paint. Please reconsider the minimum standards for a 'cycling route'.	11/26/2022 1:20 PM
5	All can be improved, there's only one side to walk along Barnet Lane, Allum Lane and Elstree Hill. this doesn't give enough space for cycles as well. Parking on these paths should also be addressed. Repercussions for parking on the paths because pedestrians are obliged to walk in the roads which is highly dangerous.	11/26/2022 8:05 AM
6	road safety can be improved. hedges on the side of the road can be cut back slightly more neater. When there is heavy rain the pot holes in the ground get covered in the water which means they arent visible. This can lead to accidents whether one is walking or cycling or driving if the passing places are narrow. Road signed need washing - they are quite dirty and sometimes at night visibility is poor.	11/25/2022 12:07 PM
7	Cycle lane in the high street would be helpful.	11/24/2022 11:22 PM

11	Brook rd	11/21/2022 6:22 PM
12	The cycling lanes up Fuzehill Rd need repairing, mostly the top part, the bushes also need cutting back as the road goes into Barnet lane. That also applies to the buses at the old Thatched barn. London.	11/18/2022 10:06 AM
13	Better signage	11/16/2022 8:57 PM
14	Bridal paths between borehamwood and shenley/radlett very overgrown and poorly maintained	11/13/2022 11:31 PM
15	There have been an increasing number of cyclists using the pavements.	11/13/2022 10:04 PM
16	My favourite local walk is into the woods starting on Barnet Lane and ending at the Recycling Centre (mentioned in point 5). It would be very helpful if there was a footpath from the end of The Rise (or other local road) to join on to this footpath. This would allow all those in the Borehamwood side of Elstree to easily access this woodland and fields - a wonderful natural area. It would also provide a pleasant walk into Elstree village.	11/11/2022 1:48 PM
17	Well End to Shenley require paths	11/6/2022 10:34 AM
18	Cycling lanes	10/28/2022 9:14 AM
19	Roads are too busy now, making it more dangerous to cycle, no real provision beyond Shenley Road	10/27/2022 10:22 PM
20	All walking through Farriers Estate, needs trees cut back, overgrown and needing tidying up.	10/27/2022 7:16 PM
21	None of the roads are walker friendly, cars parked up on pavements make it so difficult for anyone walking.	10/27/2022 6:21 AM

22	All pavements could be improved. But I live at the lowest point in Elstree and the hills are a struggle to walk out of my immediate area unless I head straight towards Radlett	10/26/2022 8:02 PM
23	No	10/26/2022 3:30 PM
24	A whole network of appropriate (e.g. separated) cycle paths would be needed to encourage any move away from the default or car travel. We should aim to enable a parent to say 'I am happy for my child to cycle to school', and to do this would require separated cycle paths that join in a network and give priority over road traffic where they meet. For most journeys, using a bicycle should be easier than a car, and then the increasing pollution and congestion as the area becomes more populated will be stemmed and the benefits of active travel realised. As an example, the area around Borehamwood Shopping Park causes regular traffic tailbacks down Theobald Street to past Red Road one way and to Shenley Road the other. At the moment the car is seen as the only way to go there by most people, but it is a cyclable distance for most residents (and there are various ways to transport shopping home apart from a one ton car). There are many examples in other countries (and a few in the UK) of how to implement this (especially in the Netherlands and Denmark), and we should be seeking to use the experience of others to make a well planned move away from car-centric travel, rather than patching of the existing piecemeal routes.	10/7/2022 1:12 PM

26	Why as a neighbourhood aren't we utilising LTN (LOW TRAFFIC NEIGHBOURHOODS)? They are definitely areas, especially around schools, that could really benefit from these. They would also encourage people to use cars less which can only help local traffic issues that are steadily getting worse & no sign of improving. Our Cycling plan needs a total do-over. Pathways designated as cycle paths needs new/improved signage/paint. We have cycle paths that literally just stop/disappear! What are we doing to encourage parents to walk their children to school more often? With our local roads getting busier we should be encouraging more cycling/walking to work/schools.	10/2/2022 8:44 AM
27	I walk over the fields etc with my family and dog. They needed to remain	10/2/2022 7:20 AM
28	Local walk to my house is the brook / aberford park and it is really lovely but so much of the north side of borehamwood requires regeneration which so much council properties / flats being knocked down.	10/1/2022 11:23 PM
29	Red road-Organ hall	10/1/2022 8:43 PM
30	I think walking loops across undeveloped countryside could be expanded. e.g. from the fields east of Cowley Hill to Ridge and beyond, and towards Shenley. I think that ideally portions of this land should be reserved to create wildlife corridors across larger portions of connected land	9/30/2022 11:35 PM
31	There are cycle paths which are not used already and far too many people cycling on pedestrian areas.	9/30/2022 9:47 PM
32	All these areas need improvement. A lot are unsafe for disabled, wheelchair users, visually impaired, children, pram pushers. Trip hazards, uneven surfaces, potholes, cars parked on pavements and footpaths as examples. <sup>8</sup> is	9/30/2022 6:49 PM
33	Walking route between Borehamwood and Radlett. The path in Maxwell Park to Tesco could have a better surface, it gets muddy. Pedestrian access from station to Borehamwood high street could be friendlier/better signposted.	9/30/2022 6:05 PM
34	not enough signage and poorly kept	9/30/2022 2:35 PM
35	Don't know any cycle routes enough m	9/30/2022 1:03 PM
36	The path from Potters Lane to the Scout centre is dangerous and needs widening.	9/30/2022 12:43 PM
37	Farm land on Cowley Hill	9/30/2022 12:37 PM
38	No.	9/30/2022 11:50 AM
39	Walking routes need regular maintenance as hard to pass once hedgerow gets overgrown	9/30/2022 9:36 AM
40	No	9/30/2022 9:13 AM
41	Preserve existing access and do it build on it	9/30/2022 9:02 AM
42	I dont cycle. Lots of amazing walking routes	9/30/2022 6:11 AM

43	More signage for local walking routes with maps that include walking off the path, cycling should be on road only	9/29/2022 10:28 PM
44	No.	9/29/2022 9:44 PM
45	I think bushes need to be kept neat on public roads/highways. As someone that uses a mobility scooter at my worst i found it was really hard not to get hit in the face, or the path nearly being completely overtaken. Mainly all the lead up towards Morrisons . Ideally more cycling paths would be good for many people. Also holes needing to be filled in pavements to avoid accidents.	9/29/2022 9:29 PM
46	more walking routes in open spaces	9/29/2022 9:04 PM
47	No - the walking routes through the fields are great. So are the routes through Aberford Park and up the brook to the fields	9/29/2022 8:36 PM
48	Elstree station to most parts of town	9/29/2022 7:10 PM
49	Green Street to Shenley and Theobald Street to Radlett	9/29/2022 6:53 PM
50	Potentially more cycle paths	9/29/2022 6:44 PM
51	Massively improved	9/29/2022 6:23 PM
52	Feel like it is safe enough to cycle	9/29/2022 5:57 PM
53	Shenley Road shops could be much improved . The street is a disgrace and very sad to drive down , considering we have many residents with disposable income	9/29/2022 5:54 PM
54	The walks and cycling routes to Shenley should be better as the roads are narrow and speeding on such small lanes	9/29/2022 5:51 PM
55	No, although cycle paths with cars parked on them appears to be a waste of money	9/29/2022 5:28 PM
56	People walk and cycle all around Well End already which is great. The path along to the Scout Activity Centre is extremely small and dangerous and could do with widening	9/29/2022 7:15 AM
57	Some of the footpaths are very overgrown.	9/28/2022 4:59 PM
58	No. There are plenty of cycling and walking routes currently as long as the green space between Cowley Hill and Well End and the top of Borehamwood from Rossington Avenue/The Champions upwards isnt unnecessarily built upon.	9/28/2022 12:36 PM
59	I'm open to walking routes being enhanced but not by the addition of tarmac, just keeping hedges cut back along these pathways. Leave the trees etc.. alone	9/19/2022 4:33 PM
60	More walking routes would be appreciated to encourage spending time outdoors	9/18/2022 2:01 PM
61	Cannot walk on some pavements with parked cars. On theobald street towards the town centre it is not uncommon to be forced to go out onto the road to continue towards the station. This is dangerous and someone will get hurt.	9/17/2022 10:44 PM
62	Easier access to Scratch Wood as it's such a lovely walking area.	9/17/2022 8:12 PM
63	Walking routes in Red Road Park need more maps, more frequent mowing and more dog poo bins which may encourage more people to use them.	9/15/2022 2:02 PM
64	The roads in this area are completely unsafe for riding a cycle. The new Highway Code relating to giving cycles a wide berth has caused a number of very near collisions between cars and has totally been I'll thought out. Instead of developing green areas for houses why not put cycle and walking routes through them . There are not enough walking routes in the area and the existing ones run along very busy polluted and unpleasant traffic routes. The internal combustion engine will be with us for a long time and not everyone will be able to afford electric or hydrogen powered vehicles. You must also make it illegal to use cycles and scooters on public pavements. The pedestrian must have priority.	9/12/2022 10:03 PM
65	Brook Road is in need of a cycle lane (e.g. on the pavement like Furzhill has), especially as the islands stuck in the middle of the road make it am especially dangerous road to cycle along since when cars try to overtake, they are suddenly confronted with an island and so have to swerve back to the left, risking hitting cyclists. Also, cycle lane on Furzhill road needs	9/10/2022 5:10 PM

	to be better linked up to the train station and then east towards the different schools in the area.	
66	Please dont waste money on this. Biking is fine and everywhere 30mph so safe for bikes as not too many trucks etc.	9/10/2022 12:21 PM
67	Cycling in Borehamwood is a joke unless you like to risk death. No cycle lanes in key areas, no enforcement from officials for those who break the rules and cycle on pavements for example. Nobody cares anymore.	9/10/2022 10:27 AM
68	They are good	9/9/2022 1:54 PM
69	Nothing in wlatree	9/5/2022 8:07 PM
70	I do not cycle I do walk a lot. There is a Hertfordshire Walkers App and its free and they do all the walks around Hertfordshire and map it out for you. I do feel that there are some lovely walks around here but need to be advertised more	9/2/2022 10:54 AM
71	There are no decent cycle routes or bike provision at all.	8/28/2022 7:06 PM
72	Too old and infirm to use them	8/25/2022 9:07 AM
73	Cycling lanes are a pain, I'd get rid of them.	8/24/2022 8:49 PM
74	I do a bit of cycling and notice the council doesn't look after the cycle lanes ie; overgrown hedges and cracks in the tarmac, cycle link to Barnet or Stanmore none existing. The cycle link to Mill Hill is good. The lanes could be clearer.	8/24/2022 9:56 AM
75	Borehamwood to Shenley. Hiw are the children from Shenley able to walk down green street when it is so over grown.	8/24/2022 9:50 AM
76	No	8/24/2022 9:04 AM
77	Cycling and walking very bad as people do not pick up their dog poo and no kids get covered in I and its disgusting.	8/24/2022 8:24 AM
78	There really aren't any for myself locally. I have to drive or take public transport to access these.	8/24/2022 8:24 AM
79	Don't know	8/24/2022 8:04 AM
80	Leeming road could be made safer	8/24/2022 7:30 AM
81	Around Aldenham Reservoir	8/24/2022 7:27 AM
82	Parents need to be improved on the high street (shenley road) as walking on them is becoming more of a obstacle and the slabs are uneven, broken and also vert slippery when it's raining because they are smooth bricks in the pavement and not textured ones	8/24/2022 7:21 AM
83	No one uses the cycle lane on Furzehill road	8/24/2022 7:19 AM

## Q9 Are there any areas of Borehamwood or Elstree that you believe would be more or less appropriate for future housing development? Please explain why.

1	Unsure	12/3/2022 6:06 AM
2	Woodcock Hill Village Green/ Byron Avenue - an area of natural beauty being especially important to enable local residents get close to nature.	12/1/2022 2:11 PM
3	Brownfield sites only should be used for developments.	11/28/2022 1:59 PM
4	Consider building high density housing near where people want to live. For example I was really happy with the developments near the station. If near the station, fewer will drive reducing requirements for parking. Parking encourages car journeys- looking at the town crier, people dislike the traffic in the area, a solution to consider is removing parking spaces to encourage use of alternatives such as bus routes and (New, Safe and High quality!) Bike routes.	11/26/2022 1:20 PM
5	No	11/26/2022 8:05 AM
6	Yes we need to stop building houses and to maintain the greenery we have. The world needs to take action on over population. This is not fair on people who like greenery and want to be amongst it. its taking away my right to live my life as i wish. i step outside of my home and only see roads and houses and big buildings. i dont like it. do i have to move. just stop building. protect the community. The gov should deal with over population and find other solutions.	11/25/2022 12:07 PM
7	No more housing in Borehamwood please.	11/24/2022 11:22 PM
8	Red Road behind the railway lines towards Radlet	11/24/2022 12:29 PM
9	No more housing development	11/23/2022 7:21 AM
10	The Council local offices could be turned into flats?	11/22/2022 2:45 PM
11	I've always thought that the last part of our boundary in Theobald St could have had a Canterbury house block of flats built there. It used to have gipsies caravans there.	11/18/2022 10:06 AM
12	I don't believe there are any appropriate areas left in BorehamWood	11/16/2022 8:57 PM
13	Any area marked as green belt land now should remain as that. That's why it was designated as green belt. A safe space and haven.	11/15/2022 7:18 PM
14	Save our green belt	11/14/2022 9:29 AM
15	No area of borehamwood is suitable for further housing. The area already lacks the necessary services to support the ever growing community e.g schools, doctors,	11/13/2022 11:31 PM
16	No more housing.	11/13/2022 10:04 PM
17	9. Green Belt land is inappropriate if we are to protect our environment, flora and fauna, agricultural ability and the wellbeing of our community. Any brown field sites are suitable for development. The areas of Green Belt separating Elstree Village from Elstree and Borehamwood should remain as to build on it would cause a coalescence of settlements. It is already agreed a large field is to be used for an extension to the cemetery. As long as this is left as an open aspect and not fenced in, this will still be open land and not cause additional flooding issues. The area next to the Indian Restaurant on Barnet Lane could be considered for building as it is not accessable - but only if it means the protection, ongoing maintenance and sensitive development of Aldenham Reservoir in exchange. Any area of unused office / industrial land (brown field) along Shenley Road is more appropriate for development. Any	11/11/2022 1:48 PM

areas of green space amongst houses should be protected for use by residents. What the area needs is truly affordable housing. There are some very high density properties in Barnet that provide more accommodation, in a smaller area for a reduced cost. My daughter works locally for the NHS and cannot afford to buy a property in the area - she is highly qualified but her non London weighting salary does would not fund the small properties available in Elstree and Borehamwood.

18	All areas as feel enough has been built. Difficult to get into Borehamwood these days as not sufficient infrastructure	11/6/2022 10:34 AM
19	I think we have more than enough housing for the infrastructure we have. We would need more schools, doctors, dentists and better roads before we keep building	11/1/2022 8:03 PM
20	More medical facilities	10/28/2022 9:14 AM
21	All the greenbelt should be respected and preserved, and there's no infrastructure to support more houses and people	10/27/2022 10:22 PM
22	No more building, takes away schools and not replaced.	10/27/2022 7:16 PM
23	Little bushey lane	10/27/2022 6:13 PM
24	Not where I live because there is nothing here.	10/26/2022 8:02 PM
25	If you don't build additional schools and other infrastructure then additional housing puts a strain on the existing facilities. Those things must be considered when granting permission for super developments like Hertsmere Mews which it's quite clear this was not considered despite over £1m being paid by the developer under the S106 Agreement	10/26/2022 3:30 PM
26	BBC Studios would be a great area to use as future housing - a huge plot already with two separate areas of access to. Do we really need another studio in our locality - when Sky hasn't really employed locals either on its construction or now it's open/ing. Use what green land we have less	10/2/2022 8:44 AM
27	NOT ON GREENBELT!!	10/2/2022 7:20 AM
28	Cowley Hill could be further developed to be brought more in to Borehamwood as I think it's set further out.	10/1/2022 11:23 PM
29	I feel strongly that areas that are largely undisturbed and which are rich in biodiversity should be protected e.g. fields directly to the east of Cowley Hill. - If these spaces are distrubedm they are largely lost forever, which is unfair on future generations	9/30/2022 11:35 PM
30	Brown field sites would be more suitable than green belt sites due to ecology and habitats.	9/30/2022 9:47 PM
31	Any Green Belt land should not be used for hosuing or other development.	9/30/2022 7:35 PM
32	To the north of the secondary school, I don't agree with the views of some who shout about the green belt being so special in this area. We need family homes (my family will not be able to live locally) and everywhere else is built up. A balance is needed and some green field / belt should be allowed to go to ensure good quality family homes with parks and open space.	9/30/2022 7:08 PM
33	I don't feel qualified to comment but would say the current infrastructure doesn't meet the needs of the current residents so building further homes will only make matters worse.	9/30/2022 6:49 PM
34	I think the Green belt North of Borehamwood between Theobald Street and London Road, and the Green Belt west of the train line are inappropriate for development. They protect the character of the area and avoid urban sprawl to Watford and Radlett. The brownfield sites identified in the draft Hertsmere local plan seemed appropriate for development.	9/30/2022 6:05 PM
35	woodcock hill to spread out housing and not all jammed into small areas	9/30/2022 2:35 PM
36	Enough housing already. No infrastructure	9/30/2022 1:03 PM
37	Green belt is a definite no. We need it. Factories around Manor Way, Chester Road potentially and regeneration around Canterbury flats. You could use that space much better. Flats I hear on top of the cinema etc would be good as close to the station and wouldn't need parking	9/30/2022 12:43 PM
38	Not now, there is already too much new build. Infrastructure is going to collapse.	9/30/2022 12:37 PM
39	Less appropriate for Cowley hill, it gives us a sense of space and keeps the areas with its	9/30/2022 12:27 PM

	nature	
40	Brown field sites.	9/30/2022 11:50 AM
41	Do not build on the fields opps Crowley hill there's already too much traffic and it's unsightly	9/30/2022 11:34 AM
42	Need to stop cramming people into centre try building on outskirts towards Elstree/Radlett/shenley using brownfield sites or converting unused buildings	9/30/2022 9:36 AM
43	Borehamwood is already over developed. No more needed.	9/30/2022 9:13 AM
44	Not on the greenbelt Explore all brownfield sites or building in other towns	9/30/2022 9:02 AM
45	I dont want anymore housing. The town is crowded and full of traffic there aren't enough doctors. It's impossible	9/30/2022 6:11 AM
46	Borehamwood cannot cope with more housing developments. Its over populated and has lost the charm it once had.	9/30/2022 5:14 AM
47	Woodcock hill area - it's tucked away and not easy access on foot or well maintained paths. Access could be also on Barnet lane. Also old police station sitting empty. But this should not be high buildings to stop the people in bullhead road enjoying their homes. Must be social housing only	9/29/2022 10:28 PM
48	No more houses. The area is already over populated.	9/29/2022 9:44 PM
49	I think its full enough. Only put houses in if you are going to put a new secondary school, at least one more gp surgery and other services. Definitely not letting taylor wimpy build anything on woodcock hill land.	9/29/2022 9:29 PM
50	where possible redevelop on brownfield sites only leaving the far and few green spaces for natural habitat and the community to enjoy	9/29/2022 9:04 PM
51	Housing should not be built in green field areas. They need to be retained to maintain the beauty of the area. Housing targets need to be revisited as there is not the same demand as previously thought.	9/29/2022 9:04 PM
52	Borehamwood has been over developed for years with no new infrastructure. It is impossible to get a doctors appointment, they have closed our clinic so we have to travel to Barnet Hospital for a blood test. The roads are already congested and the air quality poor. I do not feel that Borehamwood should have any more development. The other area's in Hertsmere have had hardly any development for the last 5 years so it's time to development those area's.	9/29/2022 8:50 PM
53	Please I beg you not to destroy the Cowley hill fields. The wildlife would never recover and the local people would love borehamwoods best asset.	9/29/2022 8:36 PM
54	Central and North Borehamwood are already over densified	9/29/2022 7:10 PM
55	Fields at the bottom of Allum Lane as these would not effect any other housing in the area	9/29/2022 6:53 PM
56	We have already lost masses of green spaces with Sky Studios - why would we want to get rid of more? It doesn't make sense. The infrastructure isn't available to support more housing. The accumulation of building would be a negative ripple effect which would be devastating for those already living here.	9/29/2022 6:44 PM
57	I don't know enough information on this subject.	9/29/2022 6:23 PM
58	Think it is already quite full, would be a shame to lose more green space	9/29/2022 5:57 PM
59	No . Use other areas , we are totally overbuilt. We don't have the infrastructure. You can't build one without the other. Re develop the awful buildings that are derelict or an eye sore. Spaces that falling apart, not our greenbelt!	9/29/2022 5:54 PM
60	Borehamwood is bulging and the traffic is chaos!	9/29/2022 5:44 PM
61	Area from Borehamwood to Shenley, north of Hertswood school should be left alone. Roads cannot cope with extra traffic, not enough doctors etc. It would be over development.	9/29/2022 5:28 PM
62	The land on cowley hill is less appropriate. I bought my house because it made us feel like we're in the country. The traffic in the morning going into borehamwood just couldn't cope with development there as the school already makes the area congested. It takes forever to get out of our driveway as it is.	9/29/2022 5:12 PM

63	I don't believe in building on any Green Belt as it's not necessary given the Brownfield opportunities that we still have from previously developed areas to use. The whole area Canterbury flats and Leeming road could be looked at to see how this could be regenerated to be nicer for the residents and maximise the space, with both areas is easy reach of facilities and transport	9/29/2022 7:15 AM
64	Any green belt land should remain as it is.	9/28/2022 4:59 PM
65	We do not need any further development as it will be detrimental to the existing population	9/28/2022 1:50 PM
66	Unused brown fields and disused empty property should be fully utilised before even considering destroying the green belt!	9/28/2022 12:36 PM
67	All of it but particularly elstree, radlett and Aldenham. I used to live in colindale and saw the area totally ruined and overrun with all the new housing built. It leads to increases in anti social behaviour etc.. we already have an aging population problem but also net migration adds to this although I understand that's at a national level. We should not be victim to the hangover of Blair's awful legacy. I moved here to enjoy the healthiness of living in a green area. I dont want increased traffic, pollution etc.. this isn't London.	9/19/2022 4:33 PM
68	N/a	9/18/2022 2:01 PM
69	All areas seem densely populated. Maybe up-near new sky building some apartments could be built.	9/17/2022 10:44 PM
70	More GP surgeries are needed before any more development happens. It's almost impossible to get an appointment as it is.	9/17/2022 8:12 PM
71	Theobald Street. The road simply cannot take the weight of current traffic let alone if a new housing development were to be built.	9/15/2022 2:02 PM
72	DO NOT DEVELOP ANY MORE AREAS IN BOREHAMWOOD OR ELSTREE. THE AREA CANNOT WITHSTAND ANY MORE TRAFFIC OR DWELLINGS . THE ROADS AND INFRASTRUCTURE JUST SIMPLY CANNOT COPE. IF YOU WANT TO PRESERVE THE QUALITY OF LIFE FOR PEOPLE WHO CURRENTLY LIVE IN THE AREA THEN DEVELOP ELSEWHERE .	9/12/2022 10:03 PM
73	Borehamwood less appropriate. Already overcrowded without enough facilities.	9/12/2022 5:18 PM
74	The Hertsmere golf course could be developed on since 1) they are the correct side of the town to be near the train station, 2) there is a golf course just north in Radlett (Ports Park Golf Club), 3) golf course require a lot of watering and thus are environmentally unfriendly 4) they take up a lot of room for the relatively few number of people that use it. The town shouldn't be extended further east unless a new train station or tram link is built. The reservoir should remain.	9/10/2022 5:10 PM
75	Behind Sky Studios and studio way.	9/10/2022 12:21 PM
76	Please no more housing. The town can't cope. Doctor surgery are closing their books as no more capacity, no NHS dentist facilities, not enough school places, roads struggling to cope with increased cars.... it's disgusting and needs to stop. Stop the corruption.	9/10/2022 10:27 AM
77	Woodcock Hill should not be developed for housing	9/9/2022 1:54 PM
78	More social housing needed for all ages	9/5/2022 8:07 PM
79	STOP BUILDING FLATS ON EVERY SQUARE INCH OF BOREHAMWOOD WE CANNOT COPE!! Not enough doctors surgeries not enough schools not enough of anything!	9/2/2022 10:54 AM
80	Keep existing green spaces. NO development on Green Belt.	8/28/2022 7:06 PM
81	I feel that Borehamwood has no space available to build on we need descent roads and health care facilities	8/26/2022 11:18 PM
82	go further out of town centres create new villages with transport links	8/26/2022 3:12 PM
83	No more blocks of flats! Houses, yes	8/25/2022 9:07 AM
84	No more development in the town centre or Elstree Way corridor - it's already a nightmare getting in and out of town	8/24/2022 11:16 PM

85	Don't know.	8/24/2022 8:49 PM
86	Small areas around woodcock hill , but still leaving some of this area	8/24/2022 9:04 AM
87	The dump never opwn and you all wonder why fly tipping so much get more staff.	8/24/2022 8:24 AM
88	Area between radlett and borehamwood ? Now not accessible to the public as it has been fenced off for years. (Theobald Street)	8/24/2022 8:24 AM
89	None. There has been too much house development in the last ten years with no additional services such as schools, doctors, dentists etc.	8/24/2022 8:04 AM
90	No more house.	8/24/2022 7:27 AM
91	I understand housing is needed. However I strongly believe Borehamwood has been enough development take place. There is not enough infrastructure. Doctors are full, roads are gridlocked. Fire engines reduced etc.	8/24/2022 7:21 AM
92	Nowhere near Furzehill road - too much traffic and not enough access routes anyway. Also why aren't there double yellow lines on Hillside Avenue? It would save so much of the traffic problems - especially when it's raining and everyone tries to park near the schools there	8/24/2022 7:19 AM

## Q10 How would you like to see Borehamwood town centre evolve over the next 10-20 years?

Answered: 98 Skipped: 31

#	RESPONSES	DATE
1	Unsure	12/3/2022 6:06 AM
2	Shenley Road should become a paved area allowing delivery vehicles access at certain points during the day, only allowing bus / coach access with all other vehicles using alternative routes to go around the town. Its a wider discussion around HCC traffic plan for the area.	12/1/2022 2:11 PM
3	Resolve the parking on pavements issue. remove the parking on street and provide wider pavements with a cafe culture of outdoor seating	11/28/2022 1:59 PM
4	The end goal should be to pedestrianise it. Cars make it loud, unpleasant and polluted. Consider looking at other similar high streets and the benefits that they received from being pedestrianied - financial, social and economic.	11/26/2022 1:20 PM
5	Less eateries Encourage back variety of more local shops.	11/26/2022 8:05 AM
6	To remain the size it is but to plant more greenery around it. To maintain green areas. To stop building more houses. To have more natural gardens to sit in.	11/25/2022 12:07 PM
7	A variety of shops on the high street and some upmarket bars/nightlife. Improvements to the routes in and out of Borehamwood. 2 lanes going down to sterling corner from Furzehill/Farriers Way roundabout.	11/24/2022 11:22 PM
8	No more food retailers or charity shop. Reduction in rent to encourage a more varied shop back	11/24/2022 12:29 PM
9	Less traffic / better gp surgeries / more pubs less restaurants	11/23/2022 7:21 AM
10	Crap.	11/22/2022 2:45 PM
11	More flowers butchers fresh fish	11/21/2022 6:22 PM
12	Not sure.	11/18/2022 10:06 AM
13	Much more diversified shops! No more take-away food outlets. Enforced 'clean-up' behind the shops. Elimination of hidden drinking areas	11/16/2022 8:57 PM
14	Better roads in and out.	11/15/2022 7:18 PM
15	To look smarter. Better access at the station roundabout.	11/14/2022 9:29 AM
16	It would be nice if it was regularly maintained eg pavements and roads repaired, open shops other than food outlets, barbers and nail bars	11/13/2022 11:31 PM
17	We need clothes shops and shoe shop. Some independent cafes that are open in the evening would be nice. Less betting shops	11/13/2022 10:04 PM
18	I would like to see Shenley Road cleaned up and brightened up so it is pleasure to walk down rather than a scruffy, dirty, grey obstacle course. The pavements need to be replaced or at least deep cleaned and repaired. I have never seen this happen in 20 years. The planting is non existent and as such shameful. The only decent planting is at the council offices. The existing contractor would not work with a charitable organisation to improve the planting. Please visit Hitchin to see how planting should be done. If cycling is to be encouraged the roads should be pothole free and bike racks should be kept tidy (only been in existence for a few weeks and already bikes are sprawled across the pavement). Please see point 1 for additional points.	11/11/2022 1:48 PM
19	Less restaurants. Variety of retail shops required.	11/6/2022 10:34 AM
20	Better roads- better parking- a multi story car park where the boulevard is. Better shops- shoes, clothes etc	11/1/2022 8:03 PM

21	Just improvements & updated	10/28/2022 9:14 AM
22	Keep greenbelt, it is what makes area attractive and special	10/27/2022 10:22 PM
23	More secondary schools, doctors, NHS walkin centre	10/27/2022 7:16 PM
24	A shopper friendly area no traffic	10/27/2022 6:21 AM
25	I'd like to see it completely regenerated with no traffic in Borehamwood high street and I'd like to see some regeneration in Elstree	10/26/2022 8:02 PM
26	Cleaner, maintained well, the return of the market on a Saturday	10/26/2022 3:30 PM
27	I would love to see the majority of car parking spaces at the Borehamwood Shopping Park replaced by a green public space (trees, flowers, public events...), a much pleasanter place to visit, along with a reduction/re-routing of traffic along Shenley Road to also give the high street a boost.	10/7/2022 1:12 PM
28	More parking, reduced congestion from Boulevard Roundabout . Cars going into and out of the Boulevard cause massive delays on a daily basis and Shenley Road/Theobald St junction . Serious problems with litter need to be addressed and dumping rubbish - this is becoming more common	10/5/2022 9:04 PM
29	The first thing I would love to 'evolve' is the board at the train station that shows off stills of past cinema stars that used BW. We need to show we are a 'progressive' town & have more recent/modern faces on display - whilst we are proud of our past we are a town looking forward. Maybe the "electronic" billboard that was used recently for political advertisements could run a "loop" of iconic moments in BW TV/Film moments ie Barbara Windsor in Eastenders saying "get out of my pub" being an Eastenders moment. I think the High Street needs a vast improvement to entice a wider diversity of stores which in place would get more people spending here. Why for example, is Radlett a smaller high street area but it has better access to "independent" owned stores. Whilst I appreciate you can not stop the local landlords from who they rent to but can you put more restrictions ie less food, nails. What can you do to turn around empty properties on the High Street? Our Bi-Weekly street market needs to be up & running asap? What as a local town council are you doing to facilitate this? We, as a town, should be encouraging "pop-ups" of local businesses to the street market. Get those people who buy a stall at a local craft fair (usually locals) to become seriously interested in being a market stall holder - even on a free trial. We need to show off our individuality as a town to encourage people to care for it, to have an investment in it.	10/2/2022 8:44 AM
30	More accessible for emergency services	10/2/2022 7:20 AM
31	It would be great to see a complete regeneration around Leeming Road and on North side as it has so much potential to be lovely. I think of it like the country side of Borehamwood as it's so green and village like.	10/1/2022 11:23 PM
32	To stop too much building, losing the town feel that we had when I was a child here.	10/1/2022 8:43 PM
33	Fewer betting shoprt More spaces/ services that improve wellbeing and a community feel e.g. family run cafes, bakery, etc	9/30/2022 11:35 PM
34	To be a safe place	9/30/2022 9:47 PM
35	Better transport provision, perhaps a hop on-hop off tram system from end to end.	9/30/2022 7:35 PM
36	Shopping is changing so it will evolve, resultants and cafes will help keep it alive. It is a shame we don't have a square or somewhere for events in the town centre and programme of activities	9/30/2022 7:08 PM
37	Would like to see it greatly improved and upgraded. It is very drab and lacklustred.	9/30/2022 6:49 PM
38	Vibrant retail presence - residents should generally be able to do their shopping within Borehamwood, and it should attract shoppers from Elstree, Shenley, Radlett etc. The town should reduce the amount of vehicular traffic along Shenley Road between Theobald Street and Eldon Avenue (the high street) to make the high steet more pleasant for shoppers and improve air quality. Improved public transport reduces parking congestion at Borehamwood Shopping Park.	9/30/2022 6:05 PM
39	mixture of shops good infrastructure doctors and transport. less parking on payments	9/30/2022 2:35 PM

40	Better more diverse range of shops.	9/30/2022 12:43 PM
41	We need better infrastructure for high street. When busy it is a nightmare.	9/30/2022 12:37 PM
42	Happy with the way it is now	9/30/2022 12:27 PM
43	Leave it alone. Enough damage has been done. Of	9/30/2022 11:50 AM
44	Smarten it up and keep it clean more doctors/dentists etc complete the underground that was abandoned	9/30/2022 9:36 AM
45	Tidied up, maintained and to give some help to local businesses	9/30/2022 9:13 AM
46	Maintain and enrich the high street Outdoor meeting and eating places	9/30/2022 9:02 AM
47	It's fine	9/30/2022 8:07 AM
48	I'd like the roads less crowded - better traffic flow round the town. No more flats. Build houses if more housing needed	9/30/2022 6:11 AM
49	Pedestrian areas, more shop selection, cleaner area.	9/30/2022 5:14 AM
50	More doctors, urgent care facilities, better public transport, more control with parking issues, more shops and not takeaways , a place you can feel safe to walk around. Well maintained eg grass cut regular weeding down and local areas litter picked. Also I would like the councillors to work together and build a sense of community. What I really don't want to see Morris Bright bullying and Trolling Michelle Vince on Facebook.	9/29/2022 10:28 PM
51	Borehamwood shopping park is not set in a location to handle vast amounts of car congestion. Instead, an indoor shopping centre should be built in a location that can handle the traffic better, and does not create a bottle neck like the current shopping park does.	9/29/2022 9:44 PM
52	Reducing the rents on shops where they aren't privately owned, or reducing council tax on them. Business after business are struggling to afford to stay open. More charity shops as i love them and so do most people. Less fast food places and restaurants. I don't know if this is under the councils control.	9/29/2022 9:29 PM
53	keep its existing green spaces, more development on brown field sites and more community spaces	9/29/2022 9:04 PM
54	Retain green areas, parks and fields. Less housing is better to avoid turning the town into a dump like other parts of London.	9/29/2022 9:04 PM
55	To still have a high street with shops.	9/29/2022 8:50 PM
56	Nurture its green spaces and maintain its high street	9/29/2022 8:36 PM
57	A mixed use high street with more public realm spaces; Renovate secondary shopping parades like Leeming Road	9/29/2022 7:10 PM
58	Better shops and a better high street	9/29/2022 6:53 PM
59	Potentially more boutique shops to support local business and entrepreneurship with a lower rent for them to survive. Fine dining restaurants, better traffic management	9/29/2022 6:44 PM
60	Less congested, more cycling and walking	9/29/2022 6:23 PM
61	Not more evolving - it is already busy as it is	9/29/2022 5:57 PM
62	Fields and parks looked after, respected and protected. Shops and stores and the street of Shenley High street to be vastly improve, not just filled with restaurants, nail salons and the likes of Lidl and Aldi!!	9/29/2022 5:54 PM
63	Pedestrianised and cleaned up	9/29/2022 5:44 PM
64	Less places to eat, but as I am not a business man, not really sure	9/29/2022 5:28 PM
65	I'd like to see building slow down but more DR's and roads in and out of borehamwood.	9/29/2022 5:12 PM
66	More diverse shops rather than nail bars, barbers and food take aways. Good restaurants and some night life!	9/29/2022 7:15 AM
67	More diverse shops and a decent market.	9/28/2022 4:59 PM

68	Less congestion at peak times	9/28/2022 1:50 PM
69	It must not increase in size or population. Just improve the current infrastructure but converting existing buildings into GP Surgeries/Dentists.	9/28/2022 12:36 PM
70	Tidy it up a bit by adding greenery to the high street. No high rises, no flats and no expansion, only the upgrade of existing shops	9/19/2022 4:33 PM
71	More evolution of new places to eat and drink. Expansion of the shopping centre to allow for a separate entrance and exit.	9/18/2022 2:01 PM
72	Hopefully nicer array of shops and restaurants. Modern facade on buildings with some hopefully rebuilt. If there was a reduction of 50% on fast food outlets and estate agents it would be a win win.	9/17/2022 10:44 PM
73	Bring back a department store. Encourage more of a village atmosphere by reducing the parking on the high street and creating more outdoor seating for restaurants and cafes.	9/17/2022 8:12 PM
74	Improve the market and more variety of shops. Parking in the evening in the Boulevard should be longer than 3 hours.	9/15/2022 2:02 PM
75	Unfortunately what has been done to increase the population without any thought or consideration to the local peoples, I doubt anything would improve the situation. There is totally insufficient car parking In the boulevard and high street. By building the Sky studios and the other very large container complexes at the end of the town near the A1 you have created extra traffic through the town. It should have been built further away so not as to cause disruption to the town. Again not very good planning.	9/12/2022 10:03 PM
76	More unique shops and restaurants. A new market with quality products and artisan foods.	9/12/2022 5:18 PM
77	1) Resolving the congestion issue of currently only having 1-2 roads in and out of Borehamwood, especially dealing with the pinch point of only having Allum lane (a single flow of traffic in each direction) crossing the railway track. 2) More housing built on new proper width roads with driveways and gardens (as opposed to yet more flats or new cramped house builds on too narrow roads). 3) A tram link between the train station to the east of the town (e.g. to where the Sky Studios are). 4) Increasing the capacity of the A1 Borehamwood north junction (A5135). 5) Developing the Shopping Park to have a better variety of shops (not yet more supermarkets). 6) Obviously the facilities and infrastructure to keep pace with the increasing population.	9/10/2022 5:10 PM
78	As answered above early questions	9/10/2022 12:21 PM
79	Just make it pedestrianised. It would be so much more pleasant. And encourage smaller business to take up shop by lowering or waiving rates and offering financial support towards energy costs. You know, actually work for the people that you serve.	9/10/2022 10:27 AM
80	We are short of supporting infrastructure for the growing population - GPs, school spaces. The roads are getting very congested - especially the roundabout near the station.	9/9/2022 1:54 PM
81	Needs more parking . Maintain the drive through the town. Reduce number of restaurant and more everyday shops to be able to live and not just food restaurants	9/5/2022 8:07 PM
82	I would like to see a stop to building. I would like to see a major push in rubbish being collected and police on the streets. I am born and bred in Borehamwood and I no longer feel safe, not for a long time. We have the worst housing association in the history of man and there is no community feel here anymore, people throw there rubbish dump the shopping trolleys because they cant be bothered to return them, bicycles and electric scooters are dominating the pavements you take your life in your own hands walking anywhere. Ringway etc leave stuff laying about, theres a batch outside Hertsmere Borough Council which has been there for about a year now, still no sign of it being collected.	9/2/2022 10:54 AM
83	Less concrete, more grass and planting.	8/28/2022 7:06 PM
84	Nhs hub. New secondary school. Swimming pool with flumes. Bowling cycle hubs. Park rangers.	8/26/2022 11:18 PM
85	it's evolved rapidly in recent years so leave it alone	8/26/2022 3:12 PM
86	I'd like to see less food outlets and more shops that sell clothes, shoes etc. I have to board a bus or two and go to Watford to buy clothes and presents	8/25/2022 9:07 AM

87	Stop building more flats. We need green spaces or future generations have no chance	8/24/2022 11:16 PM
88	Retail shops are dying all over the country, Borehamwood is no different.	8/24/2022 8:49 PM
89	Without a doubt a tube extension to Borehamwood. My children have problems getting around London, the train is not fit for purpose anymore. Borehamwood is a London dormitory town... Please don't forget.	8/24/2022 9:56 AM
90	I d like it to still have a market. Be pedestrian in part. Have a eateries area. And scream its history. Not knock it down.	8/24/2022 9:50 AM
91	More nightlife Better lighting	8/24/2022 9:04 AM
92	Borehamwood needs more infrastructure before more housing. Doctors, Dentists, Sports facilities(indoor racket and team sports) a theatre, leisure centre.	8/24/2022 8:24 AM
93	Rents lowered to encourage branded retailers in. Cleaned up, we have planters that are totally neglected, dangerous, uneven pavements etc	8/24/2022 8:04 AM
94	Diverse shops in town centre	8/24/2022 7:30 AM
95	No to expand so that Borehamwood Shenley Radlett Elstree just expand in to one massive area.	8/24/2022 7:27 AM
96	Again, to be more of a safe space. We need more police, we need more environmental investment to make borehamwood a clean and green town	8/24/2022 7:21 AM
97	Turn it into Radlett - nicer shops, less chicken shops and nail bars. Also please try and keep the banks. Also that empty unit where Mod Pizza was should really be a soft play cafe. Can you imagine the business?! There are so many young families in Bwood it would do well.	8/24/2022 7:19 AM
98	More like Radlett- more premium eateries, shops, supermarkets, services (hairdressers, opticians). Less empty shops!	8/24/2022 7:12 AM

## Q11 How would you like to see Elstree village centre evolve over the next 10-20 years?

Answered: 77 Skipped: 52

#	RESPONSES	DATE
1	Unsure	12/3/2022 6:06 AM
2	Elstree village should have more parking facilities to allow shoppers or residents to park vehicles. Also closing the high street through traffic, apart from busses and coaches, restricting delivery times to take the weight of traffic off the high street which wasn't built to take the type of traffic usage. Its a wider discussion around HCC traffic plan for the area.	12/1/2022 2:11 PM
3	It has a 'centre'? It's a loud and unappealing crossroad in my opinion.	11/26/2022 1:20 PM
4	No more housing or business buildings , less traffic more walk ways More parking for current needs	11/26/2022 8:05 AM
5	As above.	11/25/2022 12:07 PM
6	No shops	11/24/2022 12:29 PM
7	Leave the village alone. Keep it's character	11/23/2022 7:21 AM
8	Leave it alone?	11/22/2022 2:45 PM
9	More excitement	11/21/2022 6:22 PM
10	Not sure	11/18/2022 10:06 AM
11	N/a	11/16/2022 8:57 PM
12	More shops that actually stay open.	11/15/2022 7:18 PM
13	A return to the village. The pub opened. Some sort of community. Less traffic. A by pass!	11/14/2022 9:29 AM
14	I would like to see more activities and facilities to draw people to the village. Many fro Elstree and Borehamwood could walk there. At present, apart from Schopwick Surgery, I have no reason to visit. I would like to see the return of a good pub with beer garden and a seperate restaurant - if possible in the old buildings originally built for the purpose to retain the history of the area. Other local facilities, such as a community centre, would be beneficial.	11/11/2022 1:48 PM
15	Less development	11/6/2022 10:34 AM
16	As above	10/28/2022 9:14 AM
17	More secondary schools, more doctors, walkin centre	10/27/2022 7:16 PM
18	Be the same as borhamwood	10/27/2022 6:13 PM
19	I'd like to see it completed regenerated with traffic by passed through Elstree and more shops and safer places and proper pavements to walk to the shops at the least.	10/26/2022 8:02 PM
20	N/A	10/26/2022 3:30 PM
21	provision of a decent pub such as the Plough, their are no local pubs in walking distance for local folk	10/5/2022 9:04 PM
22	Don't know tbh	10/2/2022 8:44 AM
23	Better community spirit.	10/2/2022 7:20 AM
24	More housing in Elstree is required.	10/1/2022 11:23 PM
25	no views at this time	9/30/2022 11:35 PM
26	Reduce traffic congestion. The main junction is a nightmare.	9/30/2022 7:35 PM

27	I don't go to the village I live in borehamwood	9/30/2022 7:08 PM
28	Im not sure where elstree village centre is?	9/30/2022 6:49 PM
29	Decent shops	9/30/2022 1:03 PM
30	No opinion	9/30/2022 12:43 PM
31	As above	9/30/2022 12:37 PM
32	I don't	9/30/2022 12:27 PM
33	Leave it alone	9/30/2022 11:50 AM
34	I don't have a view	9/30/2022 9:13 AM
35	Not sure	9/30/2022 9:02 AM
36	As above	9/30/2022 6:11 AM
37	It should remain as it is	9/30/2022 5:14 AM
38	Not really know much about elstree but driving through it . Needs a bit of attention	9/29/2022 10:28 PM
39	I would hardly call Elstree a "village centre". I had to google map it to figure out what you were going on about. I guess a small supermarket for the locals could be nice. Do not evict those poor horses (I think, well they are animals with 4 legs) that live on the grass close by.	9/29/2022 9:44 PM
40	It's perfect as it is. You could add another shop but really a village is meant to be small and it has everything you need.	9/29/2022 9:29 PM
41	as above	9/29/2022 9:04 PM
42	Retain green areas, parks and fields. Less housing is better to avoid turning the town into a dump like other parts of London.	9/29/2022 9:04 PM
43	Nurture its green spaces	9/29/2022 8:36 PM
44	Better public transport	9/29/2022 7:10 PM
45	It is a village and as such should remain a village	9/29/2022 6:53 PM
46	More parking, especially at the GP practice, more facilities - there are only two shops and a pharmacy...	9/29/2022 6:44 PM
47	Stay at least as green as it is now	9/29/2022 6:23 PM
48	I want the space to stay green	9/29/2022 5:57 PM
49	The history protected and the buildings . Including the horse sanctuary , snd Aldenham park we should have paddle boats, horse riding there etc	9/29/2022 5:54 PM
50	This could do with more development. There is no town centre as such and facilities are mostly based in borehamwood.	9/29/2022 5:12 PM
51	Elstree needs to be developed to actually be a village rather than just a couple of roads. It has no heart and soul. If it had space maybe where the old Plough or Artichoke pubs are to build something similar to a Battlers Green Farm shop type area. Something that people would want to go to.	9/29/2022 7:15 AM
52	More shops, less traffic.	9/28/2022 4:59 PM
53	I cannot see how it can evolve	9/28/2022 1:50 PM
54	Same as above	9/28/2022 12:36 PM
55	It's fine as it is. It'd be nice to have the old kiss kiss restaurant tenanted again with another restaurant but nothing else. The charm of elstree is its a village, it should not lose its character to a load of development. Just keep the roads maintained better. For existence, a drain has been blocked for several months and nothing has been done despite being reported.	9/19/2022 4:33 PM
56	More lanes on street. Traffic is mental.	9/19/2022 1:06 PM

57	Greater integration of Borehamwood and elstree to feel more homogeneous	9/18/2022 2:01 PM
58	A decent restaurant available.	9/17/2022 8:12 PM
59	n/a	9/15/2022 2:02 PM
60	Leave it untouched. It is a very pretty village centre and must not be changed to ensure the heritage of the village remains and is not destroyed.	9/12/2022 10:03 PM
61	The junction improved to help traffic. A few small shops with easy parking outside the door.	9/12/2022 5:18 PM
62	No thoughts on this.	9/10/2022 5:10 PM
